

YouthMetre is a European youth data tool to empower young people to engage in democratic decision making. This tool is addressed to NGOs working with young people, youth clubs, youth workers.

Main challenge, Key Success and Enabling Factors

- The main challenge is how to engage youngsters in discussions and debates about decisions that matter to them, in their local area and local region;
- Training to engage with policy makers.

Lessons Learnt and Recommendations

- Data literacy is needed for young people to understand the issues and be able to present their case to policy makers
