

During the study a lot of questions are asked. To facilitate communication between students and teachers we are using Slack communicator. There is an option to create a rooms/teams so the communication can be easily organized. It is especially helpful for master and bachelor students who are preparing their thesis.

Main challenge, Key Success and Enabling Factors

- To facilitate communication between students and teachers we are using Slack communicator.
- There is an option to create a rooms/teams so the communication can be easily organized.
- It is especially helpful for master and bachelor students who are preparing their thesis.

Lessons Learnt and Recommendations

- Using SLACK we have a direct communication between students and teachers.
- The student can see the answer immediately .
- There is a mobile app and web app so you have flexibility in operation.
- There is an easy way to create groups and sign in into it.
