

VIRTUAL CLASSROOM FOR LANGUAGE EDUCATION

ERYIA Online Education offers courses in English and German as foreign languages that are conducted exclusively online. They hold live online classes for professionals from 20 to 50 years of age, who participate from their homes or offices using a Virtual Classroom.

Main challenge, Key Success and Enabling Factors

- Some clients have concerns about online learning not being as good as traditional ways of tutoring
- Fear of using a software that may not be easy to navigate
- Software interfaces not being user-friendly enough
- Software not having all the features that a language-learning classroom needs
- Geographical limitations when hiring new staff members

Lessons Learnt and Recommendations

- Adult learners are able to attend live online classes from the convenience of their own homes or offices
- Learners can have an experience that is similar to the traditional classroom without spending any time or money travelling
- The software is user-friendly, easy to use, quick to load, and has all the features that an online language tutor
